Where all are Welcome

It's been a while since we've said hello and we wanted to let you know what's happening.

Upcoming, of course, is our traditional Holly Fair. Other familiar events happen through the year, including the Village Fair. We have new events happening including an annual 5K Walk/Run and Afternoon Tea. Look for future suppers and pot luck events. Fundraisers help support the historic building and the missions of our little church with a big heart while other events are free.

Weekly and monthly we come together as a community and friends, including the weekly Dorcas meetings and monthly lunch at Johnson's Farm. We also offer yoga weekly.

We have recently upgraded the lights in the building to help do our part to lessen our impact on the environment. We have a new website at CCNOT.com where you'll find the most current news on events, services, & Sunday school schedule of lessons.

There's much being offered and we look forward to meeting new friends, old friends, and coming together to support our community space and our community members. -Blessed.

Interfaith Neighbors Connecting (INC) events:

-Ecumenical Thanksgiving Worship Service November 21st 7pm at the Central Congregational church

-Community Progressive Christmas Caroling on December 9th (starts at First Universalist Church)
